And I don't know which way to go
G Em F
Everytime you leave this house,
G Em F
everything falls apart

G Em F
I can't get myself off the couch
G Em F
I don't wanna talk to anyone else
G Em F
Everytime you leave this house,
G Em F
everything falls apart

(G Em F) (4x)

G
I lost my job
Em F
I miss my mom
G Em F
I wish my cat could talk
G Em F
Everytime you leave this house,
G Em F
everything falls apart

A G
Well, I don't love you, and I don't hate you

I don't know how I feel
A G

F G Em F
I don't know how I feel

(G Em F) (3x)

G Em F
And nothing makes me happy
G Em F
Not even tv or a bunch of weed
G Em F
Everytime you leave this house,
G Em F
everything falls apart

A G F Em
And everytime you go away, I feel like I could cry
