

Best Coast - I Don't Know How

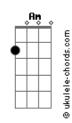

```
Tom: C
  C
I don't know how
To tell you I love you
To tell you I miss you
To tell you I care
I don't know how
To tell you it's right
When it feels so wrong
For you to be near
And I don't know why
The sun's in the sky
The rain, it falls down
Down onto the ground
I've been in trouble
I'm feelin' down
But please tell me now
You're stickin' around
I don't know how
I've seen a million things
```

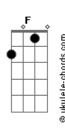

Acordes

I've been around town

```
And what I know now
Since you've been around
Though I'm so young
I feel I'm so old
I've been through the summer
Stuck around for the cold
I don't know how
              G
You see me everywhere
    Am
You walk around without a care
You see me everywhere
You walk around without a care
You see me everywhere
You walk around without a care
You see me everywhere
You walk around without a care
I don't know how
I don't know hooooooooowwwwwwwwww
My hands are tied
My body bruised, she got me with
Ovah-ovah circlin'
Deh heepocreets
```
