

# Beth Crowley - Warrior

tom:

Cm (forma dos acordes no tom de Am)

Capostrate na 3ª casa

You fascinated me  
 Cloaked in shadows and secrecy  
 The beauty of a broken angel

I ventured carefully  
 Afraid of what you thought I'd be  
 But pretty soon I was entangled

You take me by the hand  
 I question who I am

[Chorus]

Teach me how to fight  
 I'll show you how to win  
 You're my mortal flaw  
 And I'm your fatal sin  
 Let me feel the sting  
 The pain  
 The burn  
 Under my skin  
 Put me to the test  
 I'll prove that I'm strong  
 Won't let myself believe  
 That what we feel is wrong  
 Finally see what you knew was inside me all along  
 That behind this soft exterior  
 Lies a warrior 2x

[Verse]

My memory refused  
 To separate the lies from truth  
 And search the past  
 My mind created  
 I kept on pushing through  
 Standing resolute which you  
 In equal measure  
 Loved and hated

You take me by the hand  
 I'm seeing who I am

[Chorus]

Teach me how to fight  
 I'll show you how to win  
 You're my mortal flaw  
 And I'm your fatal sin  
 Let me feel the sting  
 The pain  
 The burn  
 Under my skin  
 Put me to the test  
 I'll prove that I'm strong  
 Won't let myself believe  
 That what we feel is wrong  
 Finally see what you knew was inside me all along  
 That behind this soft exterior  
 Lies a warrior  
 Lies a warrior

You take me by the hand  
 I'm sure of who I am

Teach me how to fight  
 I'll show you how to win  
 You're my mortal flaw  
 And I'm your fatal sin  
 Let me feel the sting

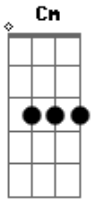

The pain  
 The burn  
 Under my skin  
 Put me to the test  
 I'll prove that I'm strong  
 Won't let myself believe  
 That what we feel is wrong  
 Finally see what you knew was inside me all along  
 That behind this soft exterior  
 Lies a warrior 2x

The pictures come to life  
 Waking the dead of night  
 Open my eyes  
 I must be dreaming

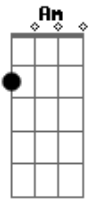

Clutch my pillow tight  
Em7 F  
Brace myself for the fight

Am I've heard that seeing  
F G Am  
Is believing
