tom:

Intro: Db Ebm Db Bbm

[Primeira Parte]

I wanna hear you, louder the noise  
 I wanna feel you, closer than the air I breathe  
 Deep within my soul burn-ing

[Refrão]

Speak to me  
 Let my heart be awakened by the whisper-ing of love  
 Pull me close to your heart  
 Let the silence now be filled with your voice

[Segunda Parte]

Found in surrender, my heart is fully yours  
 Caught in the moment, captivated by the unseen  
 Your loving heart for me re-veals

[Refrão]

Speak to me  
 Let my heart be awakened by the whisper-ing of love  
 Pull me close to your heart  
 Let the silence now be filled with your voice

The words I hear you say  
 You've been speaking now for all of time  
 All of time  
 The words I hear you say

You've been speaking now for all of time  
 All of time

The words I hear you say  
 You've been speaking now for all of time  
 All of time

You're with me  
 You're for me  
 You have a plan for me  
 And I will never walk alone

 You're for me  
 You have a plan for me  
 And I will never walk alone
