Tom: D

```
   G       A                       Bm
I was afraid Your love set me free
         A                             G
I was in debt You paid the price for me
       A                      Bm
I was hurt You took away my pain
       A                       G
I was alone until You called my name
        A                      Bm
I was broken and You mended me
         A             G
Before I was You loved me
               A                       Bm
You healed my body and You made me whole
                  A              Em
No matter what I do You don't let go

Em      G          D             A
I will sing to the King I am the ransomed one
```

```
Em    G              D                A
How I love Your holy name holy to the Lamb who was slain
Em      G               D                A
When I laugh and when I cry You are the reason why
Em     G              D   A                    ( Em  G  D  A
) (2x)
How I long to be with You forever and a day

When I go to bed You are near
When I wake up You are there
When I play guitar You here
When I walk in faith You're everywhere
You catch and save every tear I cry
You journal everyday all about my life
Your love for me reaches to the sky
I am Yours You are mine

I was ashamed,
You called me beautiful (2x)
Now I'm yours,
You called me beautiful (2x)
