

# Bethel Church - Hope's Anthem

Tom: E

**E**  
He's awakening the hope in me  
**Dbm** **B**  
By calling forth my destiny  
**E** **B**  
He's breathing life into my soul  
**Dbm** **B**  
I will thirst for Him, and Him alone

**E** **B**  
He has come like the rain  
**Dbm** **B**  
That showers on the barren plain  
**E** **B**  
So my heart and tongue confess  
**Dbm** **B**  
Jesus Christ, the hope of man

**B** **A**  
My hope is in You, God  
**Abm** **Dbm**  
I am steadfast, I will not be moved  
**B** **A**  
I'm anchored, never shaken

**Abm** **Dbm**  
All my hope is in You

He's bringing hope to the hopeless  
And giving His heart to the broken  
And sharing His home with the orphan  
He is the joy, He is my joy

He is the hope of the nations  
The Father's heart we're embracing  
He is the song we're declaring  
He is the joy, He is my joy

You're bringing hope to the hopeless  
And giving Your heart to the broken  
And sharing Your home with the orphan  
You are the joy, You are my joy

You are the hope of the nations  
The Father's heart we're embracing  
You are the song we're declaring  
You are the joy, You are my joy

Why so downcast oh, oh my soul  
Put your hope in God alone
