

Bethel Music - After All These Years

Tom: **G**

After the **G** pride

After the fall

The hands of **C** Mercy **Em** opened **D** wide

After the **G** rain

After the flood

You set **C** Your **Em** promise in the **D** sky

The **C** God who was **Em** and is to **D** come

Has been the same for me

After all these years You've never given up

After all these years You're constant with Your love

It amazes me, after all You've done

It amazes me, You're still running after us

After the **G** cross

After the shame

No power of **C** hell **Em** could ever **D** take

Your perfect **G** life

Your gift of grace

That testifies **C** beyond the **Em** grave **D**

Still testifies **C** beyond the **Em** grave **D**

After all these years You've never given up

After all these years You're constant with Your love

It amazes me, after all You've done

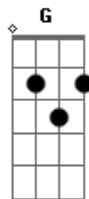

It amazes me, You're still running after us

It amazes me, after all You've done

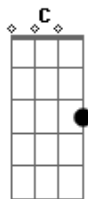

It amazes me, You're still running after us

After all these years
