

# Bethel Music - Endless Alleluia

tom:

Intro: G A Bm G

In the morning when I rise to meet You

In the morning when I lift my eyes

You're the only One I wanna cling to

You're the first thought on my mind

Let our voices rise

All creation cries

Singing out an endless alleluia

From this moment on

Join with Heaven's song

Singing out an endless alleluia!

In the moments where You go unnoticed

In the ordinary day to day

Countless miracles of life around us

Point like arrows to Your name

Let our voices rise

All creation cries

Singing out an endless alleluia

From this moment on

Join with Heaven's song

Singing out an endless alleluia!

[Solo] G A Bm D

G A Bm D

Only a moment to live this life

Like shooting stars burning up the night

Till Heaven's opened and we arrive

In Your presence, Lord

In Your presence, Lord

Let our voices rise

All creation cries

Singing out an endless alleluia

From this moment on

Join with Heaven's song

Singing out an endless alleluia!

( G A Bm D )  
( G A Bm D )

There's nothing better

There's nothing better

There's nothing better

Than this right now... now-ow-ow

There's nothing better

There's nothing better

There's nothing better

Than this right now... now-ow-ow

In the evening when I lay my head down

In the evening when I close my eyes

You're still the only One I wanna cling to

You're the last thought on my mind
