

Bethel Music - Even More So Come

tom:

Intro: **Abm E B E**
Abm E B E

[Verse 1]

There is a history of Your Spirit coming down
To meet us here heaven's ember still remain
Memories of glory and of Holy fire
And power drawing near God here and now come fan the flame

[Chorus]

Oo-o-oh, Spirit of the living God-come
Do it here again in our day
Like You've done before but even more so come

[Verse 2]

There is a hunger stirring as we gather
Here to seek Your face we're crying out for more again
There is a promise that there's a move that's still to come
So Lord we pray here and now come fill this place

[Chorus]

Oo-o-oh, Spirit of the living God-come
Do it here again in our day
Like You've done before but even more so come

[Post-Chorus]

Pour it out pour it out
Here and now right here right now
Pour it out pour it out
Once again let Heaven fall once again fill Your house

Pour it out pour it out
Here and now right here right now
Pour it out pour it out
Once again let Heaven fall once again fill Your house

God we honour what You've done here we'll never forget
Still we're after something greater that we have never seen yet
Come in power, come in glory come and Do it in us
Breathe a new thing, light a fresh flame let revival begin
