

Bethel Music - Mention Of Your Name

Tom: F

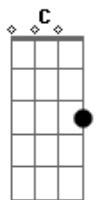

You're here with the grace of the Savior
 With the heart of the Father
 You're all we need
 You're here with the hands of the Healer
 With the power of Your Spirit
 You're all we need
 At the mention of Your name
 Every chain will break
 I know everything will change
 Jesus, just the whisper of Your name
 Will silence wind and waves
 At the mention of Your name
 You're here, You're the Provider
 All I've ever needed
 Jesus, You supply
 You're here, with wonder-working power
 Everything You breathe on

Coming back to life
 You are my strength
 You are my anchor
 And You never fail
 You are my hope
 You will deliver
 Emmanuel
 At the mention of Your name
 Every chain will break
 I know everything will change
 Jesus, just the whisper of Your name
 Will silence wind and waves
 At the mention of Your name
 Just the mention, Oh
 Just the whisper, Oh
 You're just a breath away
 You're just a breath away
