And I know you hold
My future and my hope
          G
Your promises never fail
 C
          D
Your promises never fail
 G
Healing, freedom
As you speak favor over me Em7
Faith is breaking
all impossibility
Your name has overcome
Your name alone
I am standing on every promise that you make
                G
                        Em7
I will see it come to pass in your name in your name
 Em7
                     D
                               G
Oh Jesus I will trust every word I hear you say
                G
                        Em7
I will see it come to pass in your name in your name
