

Bethel Music - Reason To Praise

tom:

Intro: G D Em C G

When I'm at my end, You're just getting started
 When I hit a wall, You just walk through
 When I face a mountain, You are the Maker
 So it's gotta move
 When I'm out of faith, You are still faithful
 When I'm at my worst, You are still good
 In all of my questions, You are the answer
 It all points to You

'Cause You're the God of the breakthrough
 When I'm breaking down
 You'll be working a way through
 When there's no way out
 This one thing I know, You're still on Your throne
 So whatever I'm feeling
 I've still got a reason to praise

Help me say
 Praise, praise

Out of our wrongs, You write our story
 And out of the cross, come rivers of grace
 And out of the grave, bursts a revival no tomb can contain

'Cause You're the God of the breakthrough
 When I'm breaking down
 You'll be working a way through
 When there's no way out
 This one thing I know, You're still on Your throne
 So whatever I'm feeling
 I've still got a reason to praise
 Praise, praise
 I've still got a reason to praise
 Praise, praise
 I've still got a reason to praise
 Praise, praise
 I've still got a reason to praise

When You come around
 Dry bones come to life

Deserts to paradise
 Stones just start rollin' away

When You come around
 My heart starts to beat again
 Lungs stretch to breathe You in

Souls just erupt into praise

When You come around
 Dry bones come to life
 Deserts to paradise
 Stones just start rollin' away

When You come around
 My heart starts to beat again
 Lungs stretch to breathe You in
 Souls just erupt into praise

'Cause You're the God of the breakthrough
 When I'm breaking down
 You'll be working a way through
 When there's no way out
 This one thing I know, You're still on Your throne
 So whatever I'm feeling
 I've still got a reason to praise
 Praise, praise
 I've still got a reason to praise
 Praise, praise
 I've still got a reason to praise
 Praise, praise
 I've still got a reason to praise

'Cause You're the God of the breakthrough
 When I'm breaking down
 You'll be working a way through
 When there's no way out
 This one thing I know, You're still on Your throne
 So whatever I'm feeling
 I've still got a reason to praise
 Praise, praise
 I've still got a reason to praise
 Praise, praise
 I've still got a reason to praise

(Repetir as tags em variação, dependendo da ministração)
