

# Bethel Music - Ring And Robe (feat. Dante Bowe & Naomi Raine)

tom:  
**Gb**  
 This may be a song that the captives  
**Gb**  
 Can't yet sing  
 But if we sing long enough  
 They might join in with us  
 And this may be a dance  
 That's too heavy for those chains  
 But if we dance long enough  
 Well the prisons will open up  
**Gb**  
 This may be a shout  
 That those fragile lungs can't bear  
 But if we shout long enough  
 Oh the walls might finally fall  
 And they may need some help  
 To lift their hands up in the air  
 But we know that freedom's coming  
 So we'll sing it all the more  
 ( **Ebm B Gb Gb Bbm** )  
**Ebm**  
 Oh-oh-oh  
**B**  
 The redeemed now have a song  
**Gb**  
 We'll sing it all day long  
**Gb Db**  
 Until the rest come running home  
**Ebm**  
 Oh-oh-oh  
**B**  
 All the broken, can you hear

**Gb**  
 We'll shout it out forever  
**Gb Bbm**  
 Can't wait till you make it here  
 ( **Ebm B Gb Bbm Gb** )  
 This may be too daring  
 Of a prayer to pray out loud  
 But would You send those orphans home  
 We've been waiting all day long  
 Oh, a ring and a robe is ready  
 We can see them coming now  
 Just like the prodigal  
 We're gonna meet them in the road  
**Gb**  
 Strongholds start to break  
 At the sound of our voices  
 At the sound of our praise  
 Mountains get out of our way  
 Can't you see us dancing  
 There's no room for you to stay  
 Oh, we can see them coming now  
 We can see them coming now  
 All the broken and weary  
 He didn't leave you where He found you  
 Welcome home  
 He didn't leave you where He found you  
 Welcome home  
 Welcome home, welcome home
