Cadd9 G
How I live for the moments

Lord speak to me now Cadd9
You have all my attention G
I will linger and listen G
I can't miss a thing Em7
Lord I know my heart wants more of Cadd9
You My heart wants something new G
So I surrender all Em7
All I want is to live within Your love G Cadd9 Em7
Be undone by who You are G
My desire is to know You deeper Cadd9 Em7
Lord I will open up again G
Throw my fears into the wind G
I am desperate for a touch of heaven Cadd9
Oooh
(Em7 G G)
Cadd9 G
You're the fire in the morning
You're the cool in the evening G
The breath in my soul Em7
The life in my bones Cadd9
