

Beto Guedes - Gabriel

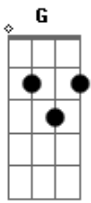

Tom: G

Intro: C7 Am

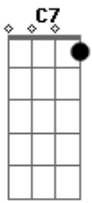

É só de ninar e desejar que a luz do nosso amor
 Matéria prima dessa canção fique a brilhar
 E é pra você e pra todo mundo que quer trazer assim a paz no coração
 Meu pequeno amor

E de você me lembrar
 Toda vez que a vida mandar olhar pro céu
 Estrela da manhã
 Meu pequeno grande amor que é você Gabriel
 Pra poder ser livre como a gente quis
 Quero te ver feliz
