

# Beto Guedes - Gabriel

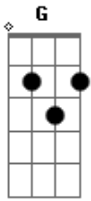

Tom: G

Intro: C7 Am

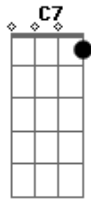

É só de ninar e desejar que a luz do nosso amor  
 Matéria prima dessa canção fique a brilhar  
 E é pra você e pra todo mundo que quer trazer assim a paz no coração  
 Meu pequeno amor

E de você me lembrar  
 Toda vez que a vida mandar olhar pro céu  
 Estrela da manhã  
 Meu pequeno grande amor que é você Gabriel  
 Pra poder ser livre como a gente quis  
 Quero te ver feliz
