Songs that I've Been Singing

They were not listened

Tell me I'm not here alone

Chords that I've been missing

They're we're not screaming

I am really feeling alone

You know that I've been drinking

Smoking, gambling and tripping

I don't really know who I am

You know I'm not sleeping

Pills they're all been missing

I don't really understand

That everytime I need to win

(You can tell me that I'm strong)

Every night I lost my dreams

(You can find my way back home)

Everytime

Years gone by

And I'm feeling that is no reason why

I've lost my pride

And I'll tell you what I'm feeling inside

There is no why to pretend that I'm a winner

Cause you know what I've been missed

It's all about your kiss so tell me how you're feeling inside

That everytime I need to win

(You can tell me that I'm strong)

Every night I lost my dreams

(You can find my way back home)

That everytime I need to win

(You can tell me that I'm strong)

Every night I lost my dreams

(You can find my way back home)

So Strong, So strong

I'm praying, I'm talking I never really felt so alone

So you can come with me and bring me home

That everytime I need to win

(You can tell me that I'm strong)

Every night I lost my dreams

(You can find my way back home)

That everytime I need to win

(You can tell me that I'm strong)

Every night I lost my dreams

(You can find my way back home)
