

# Beyoncé - Be Alive

tom: Em

It feels so good to be alive Am  
 Got all my family by my side D Am  
 Couldn't wipe this black off if I tried G  
 That's why I lift my head with pride Am B  
 I got a million miles on me Am  
 They want to see how far I go Am  
 The path was never paved with gold (Gold) G  
 We worked and built this on our own (Own) Am  
 And can't nobody knock it if they tried Am  
 This is hustle personified D  
 Look how we've been fighting to stay alive Am  
 So when we win, we will have pride G  
 Do you know how much we have cried? Am  
 How hard we had to fight? Am  
 It feels so good to be alive (It feels so, so, so, so good) Am  
 Got all my sisters by my side (I got all my sisters by my side) D Am  
 Couldn't wipe this black off if I tried (Black off if I tried) G  
 That's why I lift my head with pride Am  
 Now we're sitting on top of the world again, huh D  
 I got a million miles on me Am  
 They want to see how far I'll go (They want to see how far I'll go) D Am

The path was never paved with gold (No) G  
 We fought and built this on our own (We fought and built this on our own, own) Am  
 And can't nobody knock it if they tried Am  
 This is hustle personified D  
 Look how we've been fighting to stay alive Am  
 So when we win, we will have pride G  
 Do you know how much we have cried? Am  
 How hard we had to fight? Am  
 It feels so good to be alive (It feels so good, so good) Am  
 Got all my family by my side (And we gon' sit on top of the world again) D Am  
 Couldn't wipe this black off if I tried (And I wouldn't trade nothin', and I wouldn't trade nothin') G  
 That's why I lift my head with pride (So baby, lift your head, yeah) Am  
 It feels so good to be alive (Darling, it's a celebration for you, yeah) Am  
 I got the tribe all by my side (You're doin' everything they said you couldn't do) D Am  
 Couldn't wipe this black off if I tried G  
 That's why I lift my head with pride (Lift your head, yeah) Am  
 Woo! Am  
 (Ooh) D Am  
 (Ooh, I tried) G  
 (Oh!) Am
