

Beyoncé - Daddy Lessons

Tom: C

[Am C G F]

Yee-haw
Oh, oh, oh
Texas, Texas (oh, oh, oh) Texas

Came into this world
Daddy's little girl
And daddy made a soldier out of me
Oh, oh, oh
Daddy made me dance
And daddy held my hand
Oh, oh, oh
And daddy liked his whisky with his tea
And we rode motorcycles
Blackjack, classic vinyl
Tough girl is what I had to be

He said, Take care of your mother
Watch out for your sister
Oh, and that's when he gave to me

[Am C G Am]
With his gun, with his head held high
He told me not to cry
Oh, my daddy said shoot
Oh, my daddy said shoot
With his right hand on his rifle
He swore it on the Bible
My daddy said shoot
Oh, my daddy said shoot
[Am C G F]
He held me in his arms
And he taught me to be strong
He told me when he's gone
Here's what you do
[Am C G Am]
When trouble comes to town
And men like me come around
Oh, my daddy said shoot
Oh, my daddy said shoot
(Oh, oh, oh)

Am

[Am C G F]
Daddy made me fight
It wasn't always right
But he said girl it's your second amendment (oh, oh, oh)

He always played it cool
But daddy was no fool
And right before he died he said remember

He said, Take care of your mother
Watch out for your sister
And that's when daddy looked at me

[Am C G Am]
With his gun, with his head held high
He told me not to cry
Oh, my daddy said shoot
Oh, my daddy said shoot
With his right hand on his rifle
He swore it on the Bible
My daddy said shoot
Oh, my daddy said shoot
[Am C G F]
He held me in his arms
And he taught me to be strong
He told me when he's gone
Here's what you do
[Am C G Am]
When trouble comes to town
And men like me come around
Oh, my daddy said shoot
Oh, my daddy said shoot
(Oh, oh, oh)

My daddy warned me about men like you
He said, Baby girl he's playing you
He's playing you
[Am C G F]
Cause when trouble comes in town
And men like me come around
Oh, my daddy said shoot
Oh, my daddy said shoot
[Am C G Am]
Cause when trouble comes to town
And men like me come around
