

Beyoncé - Dangerously in love

Tom: F

I love you... I love you, I love you
 Baby I love you, you are my life
 My happiest moments weren't complete if you weren't
 by my side
 You're my relation and connection to the sun
 With you next to me, there's no darkness I can't
 overcome
 You are my raindrops, I am the seed
 With you and God who's my sunlight I'm blooming,
 grown so beautifully
 Baby I'm so proud, proud to be your girl
 You make the confusion go all away from this cold
 and misty world

REFRÃO x2

I am in love with you (in love)
 You set me free
 I can't do this thing called life without you here
 with me
 Cause I'm dangerously in love with you (in love)
 I'll never leave
 Just keep loving me the way I love you loving me

And I know you love me, love me for who I am
 Cause years before I became who I am, baby you were
 my man
 I know it ain't easy, easy loving me
 I appreciate the love and dedication from you to me
 Later on in my destiny I see myself having your
 child
 I see myself being your wife and I see my whole
 future in your eyes
 The thought of all my love for you, sometimes makes
 me wanna cry
 Realize all of my blessings, I'm grateful to have
 you by my side

REFRÃO

Every time I see your face, my heart smiles
 Every time it feels so good, it hurts sometimes
 Created in this world to love, to hold,
 to feel, to breathe
 To live you
 Dangerously in love, yeah
