

# Beyoncé - Disappear

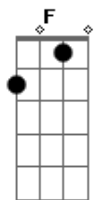

Tom: F

(com acordes na forma de  
Capostrate na 3ª casa  
(capo 3ª casa)

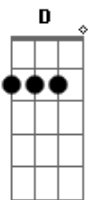

**F** )  
If I begged and if I cried  
Would it change the sky tonight  
Would it give me some light  
**Em7** **G**  
Should I wait for you to call?  
Is there any hope at all  
Are you drifting by?  
**G**  
When I think about it  
**D** **A**  
I know that I was never there or even cared  
**G**  
The more I think about it  
**D** **A**  
The less that I was able to share with you  
**G** **D**  
I try to reach for you I, can almost feel you  
You're nearly here  
**G** **D** **A** **G**  
And then you disappear  
(Disappear, disappear, disappear)  
You disappear  
(Disappear, disappear, disappear)  
**Em7** **G**  
And when I lie all by myself  
I see your face, I hear your voice  
My heart stays faithful  
**Em7** **G**  
And time has come and time has passed  
If its good it's got to last  
It feels so right  
**G**  
When I think about it

**D** **A**  
I know that I was never there or even cared  
**G**  
The more I think about it  
**D** **A**  
The less that I was able to share with you  
**G** **D**  
I try to reach for you I, can almost feel you  
You're nearly here  
**G** **D** **A** **G**  
And then you disappear  
(Disappear, disappear, disappear)  
You disappear  
(Disappear, disappear, disappear)  
**D** **A** **E**  
You, you disappear  
**G** **D**  
I missed all the signs  
**A** **E** **G**  
One at a time you were ready  
**D** **A**  
What did I know starting our lives  
**E** **G**  
Now my love, I'm ready to shine  
(**G** )  
When I think about it  
**D** **A**  
I know that I was never there or even cared  
**G**  
The more I think about it  
**D** **A**  
The less that I was able to share with you  
**G** **D**  
I try to reach for you I, can almost feel you  
You're nearly here  
**G** **D** **A** **G**  
And then you disappear  
**D** **A** **G**  
You disappear  
**D** **A** **G**  
You disappear  
**D** **A** **G**  
You disappear  
**D**  
You disappear
