

# Beyoncé - Disappear

Tom: F

(com acordes na forma de  
Capostrate na 3ª casa  
(capo 3ª casa)

**F** )  
 (com acordes na forma de  
Capostrate na 3ª casa  
(capo 3ª casa)

**Em7** **G**  
 If I begged and if I cried

**D**  
 Would it change the sky tonight

**A**  
 Would it give me some light

**Em7** **G**  
 Should I wait for you to call?

**D**  
 Is there any hope at all

**A**  
 Are you drifting by?

**G**  
 When I think about it

**D** **A**  
 I know that I was never there or even cared

**G**  
 The more I think about it

**D** **A**  
 The less that I was able to share with you

**G** **D**  
 I try to reach for you I, can almost feel you

**A**  
 You're nearly here

**G** **D** **A** **G**  
 And then you disappear  
(Disappear, disappear, disappear)

**D** **A** **G**  
 You disappear  
(Disappear, disappear, disappear)

**Em7** **G**  
 And when I lie all by myself

**D**  
 I see your face, I hear your voice

**A**  
 My heart stays faithful

**Em7** **G**  
 And time has come and time has passed

**D**  
 If its good it's got to last

**A**  
 It feels so right

**G**  
 When I think about it

**D** **A**  
 I know that I was never there or even cared

**G**  
 The more I think about it

**D** **A**  
 The less that I was able to share with you

**G** **D**  
 I try to reach for you I, can almost feel you

**A**  
 You're nearly here

**G** **D** **A** **G**  
 And then you disappear  
(Disappear, disappear, disappear)

**D** **A** **G**  
 You disappear  
(Disappear, disappear, disappear)

**D** **A** **E**  
 You, you disappear

**G** **D**  
 I missed all the signs

**A** **E** **G**  
 One at a time you were ready

**D** **A**  
 What did I know starting our lives

**E** **G**  
 Now my love, I'm ready to shine

(**G**)  
 When I think about it

**D** **A**  
 I know that I was never there or even cared

**G**  
 The more I think about it

**D** **A**  
 The less that I was able to share with you

**G** **D**  
 I try to reach for you I, can almost feel you

**A**  
 You're nearly here

**G** **D** **A** **G**  
 And then you disappear

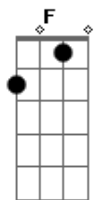

**D** **A** **G**  
 You disappear

**D** **A** **G**  
 You disappear

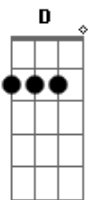

**D** **A** **G**  
 You disappear

**D**  
 You disappear
