

# Beyoncé - Forever To Bleed

tom:  
 Eb  
 Intro: Cm Ab Bb Eb  
           Cm Ab Bb Eb

          Cm                  Ab  
 You're all alone, and I did this  
       Bb                  Eb  
 I got no one else to blame  
       Cm                  Ab  
 You didn't know I was a risk  
       Bb                  Ab  
 And it's such a crying shame

          Cm                  Ab  
 How you gave me all of you  
       Bb                  Eb  
 And wanted nothing else from me  
       Cm                  Ab  
 But to make some time for you  
       Bb                  Eb  
 But all I made you was lonely

          Cm                  Ab  
 I couldn't see but now I know  
       Bb                  Eb  
 That I acted selfishly  
       Cm                  Ab  
 I should've known that I let you down  
       Bb                  Eb  
 Caused you so much misery  
       Cm Ab  
 Forever to bleed  
       Bb Eb  
 Forever to bleed  
       Cm Ab  
 Forever to bleed  
       Bb Eb  
 Forever to bleed

          Cm                  Ab  
 I should've been there  
       Bb                  Eb  
 I should've been there  
       Cm                  Ab  
 I should've been there  
       Bb                  Eb  
 I should've been there

          Cm                  Ab  
 All of the times you used to cry  
       Bb                  Eb  
 Because I would let you down  
       Cm                  Ab  
 I'm losing time, I should've tried  
       Bb                  Eb  
 A little more to be around

          Cm                  Ab  
 But I didn't know you that were hurting  
       Bb                  Eb  
 I was just too blind  
       Cm                  Ab  
 Only thing I know for certain  
       Bb                  Eb  
 Another you I'll never find

          Cm                  Ab

I couldn't see but now I know  
       Bb                  Eb  
 That I acted selfishly  
                   Cm                  Ab  
 I should've known that I let you down  
       Bb                  Eb  
 Caused you so much misery  
       Cm Ab  
 Forever to bleed  
       Bb Eb  
 Forever to bleed  
       Cm Ab  
 Forever to bleed  
       Bb Eb  
 Forever to bleed

          Cm                  Ab  
 I should've been there  
       Bb                  Eb  
 I should've been there  
       Cm                  Ab  
 I should've been there  
       Bb                  Eb  
 I should've been there

                  Fm  
 I'm filled with regret, I'm gonna tip  
                   Gm  
 And soak myself in misery  
                   Fm  
 Now in your life I'll take more time  
                   Gm  
 No more yearning without me

          Cm  
 But it hurts to think of you  
                   Cm7  
 All by yourself and now I see  
           Fm                  Gm  
 And I apologize for all the times  
           Ab                  Eb  
 I left you home waiting for me

          Cm                  Ab  
 I couldn't see but now I know  
       Bb                  Eb  
 That I acted selfishly  
                   Cm                  Ab  
 I should've known that I let you down  
       Bb                  Eb  
 Caused you so much misery  
       Cm Ab  
 Forever to bleed  
       Bb Eb  
 Forever to bleed  
       Cm Ab  
 Forever to bleed  
       Bb Eb  
 Forever to bleed

          Cm                  Ab  
 I'm gonna be there  
       Bb                  Eb  
 I'm gonna be there  
       Cm                  Ab  
 I'm gonna be there  
       Bb                  Eb  
 I'm gonna be there
