

# Beyoncé - Haunted

Tom: A

It's what you do **Abm**  
 It's what you see **E**  
 I know if I'm haunting you **Abm**  
 You must be haunting me

It's where we go **Abm**  
 It's where we'll be **E**  
 I know if I'm on to you, I'm on to you **Abm**  
 On to you, you must be on to me

My haunted lungs **Abm**  
 Ghost in the sheets **E**  
 I know if I'm haunting you **Abm**  
 You must be haunting me

My wicked tongue **Abm**  
 Where will it be? **E**  
 I know if I'm onto you **E**  
 I'm on to you **A**  
 On to you, I'm on to you **E**  
 On to you, you must be on to me **Abm7**

You want me? **Abm**  
 I walk down the hallway  
 You're lucky  
 The bedroom's my runway  
 Slap me!  
 I'm pinned to the doorway  
 Kiss, bite, foreplay **E**

My haunted lungs **Abm**  
 Ghost in the sheets **E**  
 I know if I'm haunting you **Abm**  
 You must be haunting me

My wicked tongue **E**  
 Where will it be **Abm**  
 I know if I'm onto you **E**  
 You must be onto me **Abm**

It's what we see **Abm**  
 I know if I'm haunting you **E**  
 You must be haunting me **Abm**

It's where we go **Abm**  
 It's where we'll be **E**  
 I know if I'm onto you, I'm onto you **A**  
 On to you, I'm onto you **E**  
 On to you, you must be onto me **A**

You must be onto me (on to you, I'm on to you) **E**  
 You must be onto me (on to you, I'm on to you) **A**  
 You must be onto me (on to you, I'm on to you) **E**  
 You must be onto me (on to you, I'm on to you) **A**
