

# Beyoncé - Hello

Tom: Gb

Abm  
I love to see you walk into the room  
By the shining light in up the place  
Ebm  
And when you talk, everybody stop  
Gb  
Because they know you know just what you're sayin'  
Db  
The way that you protect your friends  
Abm  
Baby I respect you for that  
Ebm  
And when you roll, you take everyone you  
Gb Db  
love along, I love that shit

You shelter my soul

You're my fire when I'm cold  
Db  
Just want you to know...
