

Beyoncé - Halo

Tom: D
Intro: A Bm Gbm D
(A Bm Gbm D A)

Remember those walls I built
Well Baby they are tumbling down
And they didn't even put up a fight
They didn't even make a sound
I found a way to let you in
But I never really had a doubt
Standing in the light of your halo
I got my angel now
It's like I've been awaken
Every rule I had to break
It's the risk that I'm taking
I ain't never gonna shut you out
Refrão:

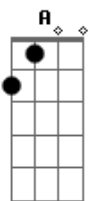

Everywhere I'm looking now
I'm surrounded by your embrace
Baby I can see your halo
You know you're my saving grace
You're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray won't fade away
I can feel your halo
I can see your halo
I can feel your halo
I can see your halo
Hit me like a ray of sun

Burning through my darkness night
You're the only one that I want
I got addicted to your lie
I swore I'd never fall again
But this don't even feel like falling
Gravity can't forget
To pull me back to the ground again
It's like I've been awaken
Every rule I had to break
It's the risk that I'm taking
I'm never gonna shut you out
Refrão:
Everywhere I'm looking now
I'm surrounded by your embrace
Baby I can see your halo
You know you're my saving grace
You're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray won't fade away
I can feel your halo
I can see your halo
I can feel your halo
I can see your halo
Halo, can you feel your halo, can see your halo
Can see your halo halo
Halo uh uh...Halo uh uh uh..oh oh
Oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh oh oh oh oh
