

# Beyoncé - I Miss You

Tom: Gb

I thought that things like this get better with time  
 But I still see you, what is that?  
 You're the only image in my mind  
 So I still see you, around  
 I miss you, like everyday  
 Wanna be with you, but you're away  
 I said I miss you, missing you insane  
 But if I got with you, could it feel the same?  
 Words don't ever seem to come up right  
 But I still mean them, what is that?  
 It hurts my pride to tell you how I feel  
 But I still need to, what is that?  
 I miss you, like everyday  
 Wanna be with you, but you're away

I said I miss you, missing you insane  
 But if I got with you, could it feel the same?  
 I don't matter who you are, it is so simple  
 A feeling, and it's everything  
 It don't matter who you love, it is so simple  
 A feeling, and it's everything  
 I miss you, like everyday  
 Wanna be with you, but you're away  
 I said I miss you, missing you insane  
 But if I got with you, could it feel the same?  
 I don't matter who you are, it is so simple  
 A feeling, and it's everything  
 It don't matter who you love, it is so simple  
 A feeling, and it's everything
