

Beyoncé - Jealous

Tom: D

I'm in my penthouse half naked
 I cooked this meal for you naked
 So where the hell you at?
 Just one shot left of this drink, in this glass
 Don't make me break it
 I wish that you were me
 So you could feel this feeling
 I never broke one promise, and I know when you're not honest
 Now you got me yelling, that's because

I'm jealous
 If you keep me your promise, I'm keeping mine
 Oh, I'm jealous
 If you keep me your promise, I'm keeping mine
 Oh

Sometimes I wanna walk in your shoes
 Do the type of things that I never ever do
 I take one look in the mirror and I say to myself
 "Baby girl, you can't survive like this, no"

Take it one step further
 Freakum dress out my closet
 'Yoncé fillin' out this skirt
 I look damn good I ain't lost it
 And I ain't missed a beat

Boy, you been hanging out at tonight

I'm staying out 'til tomorrow
 Dancing on them tables ain't got no cares, no sorrows
 I ran into my ex
 Said what up to his bestest
 Now we reminiscing how we used to flex in Texas

Don't be jealous
 If you keep me your promise, I'm keeping mine
 Oh, are you jealous?
 If you keep me your promise, I'm keeping mine

Sometimes I wanna walk in your shoes
 Do the type of things that I never ever do
 I take one look in the mirror and I say to myself
 "Baby girl, you can't survive like this, no, no, no"
 And I hate you for your lies and your covers

And I hate us for making good love to each other
 And I love making you jealous but don't judge me
 And I know I'm being hateful but that ain't nothing
 That ain't nothing

I'm just jealous
 I'm just human

Don't judge me
 If you keep me your promise, I'm keeping mine
 Oh, I'm jealous
 If you keep me your promise, I'm keeping mine
