 Mama, I understand your many sleepless nights  
 When you're seat and you think about father  
 G Am7 F  
 Or how you tried to be the perfect wife  
 C G  
 You used to dress and fix your hair  
 Am7 F  
 Then you smiled through your tears  
 C G  
 In the mirror you would stare  
 Am7  
 And say a prayer, like:  
 F C  
 I wish he said "I'm beautiful"  
 G  
 I wish it didn't hurt at all  
 Am7 F  
 I don't know how I got here

 I was once the one who had his heart

 Until you had enough then you took that ring off

 So tired of the lies and trying, fighting, crying  
 F  
 Took that ring off  
 C  
 Oh, now the fun begins  
 G  
 Dust yourself off and you love again

 You found a new man now you shine and you're fine
