 Mama, I understand your many sleepless nights
 When you're seat and you think about father
 G Am7 F
 Or how you tried to be the perfect wife
 C G
 You used to dress and fix your hair
 Am7 F
 Then you smiled through your tears
 C G
 In the mirror you would stare
 Am7
 And say a prayer, like:
 F C
 I wish he said "I'm beautiful"
 G
 I wish it didn't hurt at all
 Am7 F
 I don't know how I got here
 F
 I was once the one who had his heart
 C
 Until you had enough then you took that ring off
 G
 You took that ring off
 Am7
 So tired of the lies and trying, fighting, crying
 F
 Took that ring off
 C
 Oh, now the fun begins
 G
 Dust yourself off and you love again
 Am7
 You found a new man now you shine and you're fine

 Like it's my time, you took that ring off
