

Beyoncé - Rise Up

Tom: F
Intro: Bb F

Bb I'm the matriarch of your land
F When you need to, take my hand
C Come into my arms
 I'll keep you safe from harm
 I'll keep your precious heart

Bb Some people try to drag you down
F Take care for me stand and be proud
C You're a warrior, you're my warrior
Bb Be who you are, be who you are
F Know that life holds more than what you see
C Rise up little man, rise, I will

Bb Fight for you and me
F Look into my eyes and believe
C Little one we will fight, we will fight
 Little woman, we will fight, we will rise
Bb I see you and me
F Take my hand and we
C We will stand, we will fight, we will fight
 We will stand and together we will rise

Bb They'll burn you at the stake if you
F Don't act like they want you to
C But baby be yourself
 Be good and help the world
Bb Be who you are, be who you are
F Know that life holds more than what you see

Rise up little man, rise, I will

Bb Fight for you and me
F Look into my eyes and believe
C Little one we will fight, we will fight
 Little woman, we will fight, we will rise
Bb I see you and me
F Take my hand and we
C We will stand, we will fight, we will fight
 We will stand and together we will rise

Bb Rise up, rise up little man
F Don't be scared, I'm holding your hand
C Know that life holds more
 Than what we see and what we get
Bb Rise up, rise up little woman
F Don't be afraid to risk it all
C Know that life holds more
 Than what we see and what we get
 I will

Bb Fight for you and me
F Look into my eyes and believe
C Little one we will fight, we will fight
 Little woman, we will fight, we will rise
Bb I see you and me
F Take my hand and we
C We will stand, we will fight, we will fight
 We will stand and together we will rise
