

Beyoncé - Satellites

Tom: **G**

Satellites, flashing by
 It's a beautiful state we're in
 But how can we love in isolation
 Think how happy we can be
 When we just try
 We're nothing like we seem
 Passionate words are never spoken
 You don't know how I bleed
 When I leave your side
 In your eyes, love's alive
 We've come untied
 'Cause we're flashing by like satellites

Satellites
 Take all the rules away
 How can we live if we don't change
 We're always on display
 Let's run and hide
 In our eyes, love's alive
 We've come untied
 'Cause we're flashing by like satellites
 Satellites
 If we don't communicate
 We'll exist in our own space
 We'll have all the love we need
 While we're apart I cannot breathe
 Satellites, flashing by
 Satellites
