

# Beyoncé - Satellites

Tom: G

Satellites, flashing by  
 It's a beautiful state we're in  
 But how can we love in isolation  
 Think how happy we can be  
 When we just try  
 We're nothing like we seem  
 Passionate words are never spoken  
 You don't know how I bleed  
 When I leave your side  
 In your eyes, love's alive  
 We've come untied  
 'Cause we're flashing by like satellites

Satellites  
 Take all the rules away  
 How can we live if we don't change  
 We're always on display  
 Let's run and hide  
 In our eyes, love's alive  
 We've come untied  
 'Cause we're flashing by like satellites  
 Satellites  
 If we don't communicate  
 We'll exist in our own space  
 We'll have all the love we need  
 While we're apart I cannot breathe  
 Satellites, flashing by  
 Satellites
