

# Beyoncé - Save The Hero

Tom: Bb

**Cm** **Eb** **Bb**  
I lay alone awake at night

**F**  
Sorrow fills my eyes

**Cm** **Eb** **Bb**  
But I'm not strong enough to cry

**F**  
Despite of my disguise  
I'm left with no shoulder  
But everyone wants to lean on me.  
I guess I'm their soldier.  
Well, who's gonna be mine

Who's there to save the hero  
When she's left all alone  
And she's crying out for help.  
Who's there to save the hero  
Who's there to save the girl...  
After she saves the world  
After she saves the world.

I bottle all my hurt inside,  
I guess I'm living a lie.  
Inside my mind each day I die  
What can bring me back to life?

A simple word, a gesture  
Someone to say you're beautiful  
Come find this buried treasure  
With eyes lead to a pot of gold.

Who's there to save the hero  
When she's left all alone  
And she's crying out for help  
Who's there to save the hero  
Who's there to save the girl  
After she saves the world...  
After she saves the world.

I've given too much of myself  
And now it's driving me crazy  
(I'm crying out for help?  
Sometimes I wish someone would  
Just come here and save me...  
Save me from myself

Who's there to save the hero  
When she's left all alone  
And she's crying out for help  
Who's there to save the hero  
Who's there to save the girl  
After she saves the world...  
After she saves the world.
