

# Beyoncé - That's Why You're Beautiful

Tom: **A**

0u

Diamonds used to be coal  
 Look young cause they got soul  
 That's why they're beautiful  
 And my heart used to be cold  
 'Till your hands laid on my soul  
 Baby, that's why you're beautiful

I'm not wondering why...  
 The sky's blue; that's not my business  
 All I know is I...  
 Look up and tell myself  
 "Be patient, love...that could be us..."

Lovers used to make love  
 And die just to give us  
 Their piece of the beautiful  
 Remember when we made love?  
 Love.....

Wasn't it beautiful?  
 Don't ask me why  
 The sky's blue; that's not my business  
 All I know is I...  
 Look up and tell myself  
 "Be patient, love...that could be us..."

Diamonds used to be coal  
 Look young cause they got soul  
 That's why they're beautiful  
 And my heart used to be cold  
 'Til your hands laid on my soul  
 Baby, that's why you're beautiful  
 Somebody's got to stay deep in love  
 That could be us..  
 That's why we're beautiful  
 That's why you're beautiful  
 Ooh  
 Why, why  
 That's why you're beautiful  
 That's why you're beautiful  
 That's why you're beautiful
