

Beyoncé - That's Why You're Beautiful

Tom: **A**

0u

Diamonds used to be coal
 Look young cause they got soul
 That's why they're beautiful
 And my heart used to be cold
 'Till your hands laid on my soul
 Baby, that's why you're beautiful

I'm not wondering why...
 The sky's blue; that's not my business
 All I know is I...
 Look up and tell myself
 "Be patient, love...that could be us..."

Lovers used to make love
 And die just to give us
 Their piece of the beautiful
 Remember when we made love?
 Love.....

Wasn't it beautiful?
 Don't ask me why
 The sky's blue; that's not my business
 All I know is I...
 Look up and tell myself
 "Be patient, love...that could be us..."

Diamonds used to be coal
 Look young cause they got soul
 That's why they're beautiful
 And my heart used to be cold
 'Til your hands laid on my soul
 Baby, that's why you're beautiful
 Somebody's got to stay deep in love
 That could be us..
 That's why we're beautiful
 That's why you're beautiful
 Ooh
 Why, why
 That's why you're beautiful
 That's why you're beautiful
 That's why you're beautiful
