

Beyoncé - XO

Tom: C

Your love is bright as ever
 Even in the shadows
 Baby kiss me
 Before they turn the lights out
 Your heart is glowing
 And I'm crashing into you
 Baby kiss me
 Before they turn the lights out
 Before they turn the lights out
 Baby love me lights out
 In the darkest night I'll
 I'll search through the crowd
 Your face is all that I see
 I'll give you everything
 Baby love me lights out
 Baby love me lights out
 You can turn my light down
 We don't have forever
 Baby daylight's wasting
 You better kiss me
 Before our time is run out
 Nobody sees what we see
 They're just hopelessly gazing
 Baby take me

Before they turn the lights out
 Before time is run out
 Baby love me lights out
 In the darkest night I'll
 I'll search through the crowd
 Your face is all that I see
 I'll give you everything
 Baby love me lights out
 Baby love me lights out
 You can turn my light down
 I love it like XO
 You love me like XO
 You kill me boy XO
 You love me like XO
 All that I see
 Give me everything
 Baby love me lights out
 Baby love me lights out
 You can turn my lights out
 In the darkest night I'll
 I'll search through the crowd
 Your face is all that I see
 I'll give you everything
 Baby love me lights out
 Baby love me lights out
 You can turn my light down
