

Bez e Seus Bobos - Primavera

tom:

E

Agora é primavera e o tempo

Custa a passar

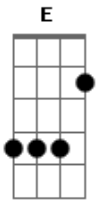

Com as flores tão belas o polem

Me faz coçar...o nariz

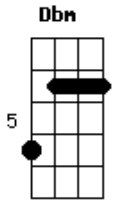

A saudade desperta isso é

Você quem diz
 Me arruína a rinite me faz
 Coçar o nariz...o nariz
 Não espere nada de ninguém é
 A faculdade da vida
 Mas eu não digo o que fiz, e que não fiz o que digo
