

Bhaskar - Hold On

tom:
 Dbm
 Think of you all the time
 A Dbm E
 Love rushes with the tide
 Dbm E
 Is it too late for us to try
 A Ab
 Waves crush like you and I

Dbm E
 It all feels right when you're by my side
 A Ab
 Nothing to fear only on a high
 Dbm E
 If only this lasted without goodbyes
 A Ab
 Why can't we make pass this fight

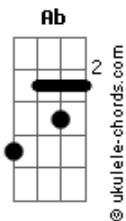

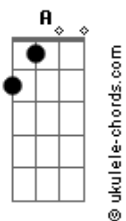

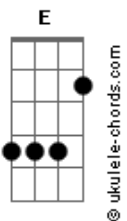

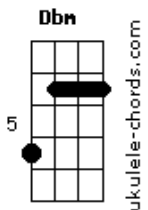

Dbm E A
 Can we hold on for one more night
 Ab
 Tonight just you and I
 Dbm E A
 Can we push through just one last time
 Ab
 We've tried and tried and tried

Dbm E
 I should let you go but I don't want to
 A Ab
 I should let you go, no, I don't want to
 Dbm E
 I should let you go but I don't want to
 A Ab
 I should let you go
