

Bia Bedran - Angelus

Tom: G

Os meninos e as meninas
 Nos seus olhos tem a luz
 Vaga-lumes que iluminam
 Todos os cantos do mundo.
 Os teu sonhos não me contem
 Deixa que eu adivinhe
 São segredos enfeitando
 As curvas do meu caminho.
 As crianças são anjos

Moleques, são bruxos e fadas
 Correndo na terra
 Brincando de vida
 De tempo passando,
 1, 2, 3 e já!
 Cada dia nascente
 Abençoa o que aprende
 Esse teu coração
 A criança é bonita
 Ela é de São Cosme e de
 São Damião.
