

# Bia Freitas - Please, Stay

tom:  
 G  
 Being alone always made me scared  
 G  
 Makes me think who I am  
 G  
 Never the dark, the absence of light  
 G  
 Makes it's own way  
 G  
 I told you to go, you don't have to stay  
 G  
 I screwed enough for today  
 G  
 But when I'm hurting  
 C  
 I push you away  
 Em C  
 But you keep staying  
 G  
 When I'm hurting  
 C  
 I push you away  
 Em. C  
 But you keep staying  
 G  
 Please, stay

 G  
 I always thought the sky is too high  
 G  
 But I always wanted to go there  
 G  
 I always try to keep my thoughts  
 G  
 In a positive way  
 G  
 But when I'm hurting  
 C  
 I push you away  
 Em C  
 But you keep staying  
 G  
 When I'm hurting  
 C  
 I push you away  
 Em. C  
 But you keep staying  
 G  
 Please, stay  
 G G G G G G  
 I've got one heart, I need to save it  
 G G G G  
 I've got one heart, I gave it to you
