

Bia Haga - Cold

tom:
 Capotraste na 2ª casa A (forma dos acordes no tom de G)

Have you seen how stars seem stuck
 Then in a minute fade away?
 Have you seen how hard you love
 And in a moment you can't stay?

The glass is falling apart
 And the cup is chipped
 We're heading back to the start
 To see what we have missed

Have you seen how kids make fun
 Of everything they listen to?
 I miss that from when we're younger
 And had nothing else to do

I would just sit in the yard
 With my mom next to me
 We'd get the guitar and sing lullabies
 Till I fell asleep

My heart is beating fast

As the color of my chest is getting cold
 I always see you there
 But I'm too shy to say hello

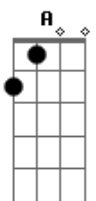

I'm cold, yeah, I'm cold
 I just can't let you go
 I keep on calling hope
 I keep on calling home

I'm cold, yeah, I'm cold
 And I don't wanna go
 I still got all your coats
 But I don't want 'em, no

I'm cold!

My heart is beating fast
 As the color of my chest is getting cold
 I always see you there
 But I'm too shy to say hello
 I'm cold, yeah, I'm cold
 I just can't let you go
 I keep on calling hope
 I keep on calling home
