

# Bia Haga - Rainy One

Tom: Db

(forma dos acordes no tom de G )  
Capostrate na 6ª casa

Fighting against my love  
I didn't know what was wrong  
We were the same  
We were so bold  
We were so good  
And also so dumb  
But you preferred the rain  
You are making it feel so steady  
Every other day you're heady  
Will you go away already?

That's not fair at all  
Not very  
Hoping you would call back  
Tears rolling all through my bed  
You used to say you loved me so  
You used to hold me whenever was cold  
But you faded away  
You are making it feel so steady  
Every other day you're heady  
Will you go away already?  
That's not fair at all  
Not very  
[Final]
