

Bicho de Pé - Anjo de Guarda Noturno

Tom: D

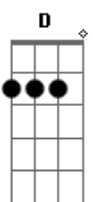

Meu anjo de guarda noturno
 Você é quem sabe de tudo
 E quando eu peço proteção
 Não é pra fugir do ladrão
 Nem pra me esconder na igreja
 Eu quero que Deus nos proteja
 Das dores do coração
 Meu anjo de luz que ilumina

Compositor da minha sina
 Não deixe que espinhos me ceguem
 Guarde meus caminhos que seguem
 Aos carinhos dessa menina
 Meu anjo de luz guardião
 Conductor da minha emoção
 Ensine um atalho pra ela
 Que evoque o anjo dela
 No toque sutiu da canção
