[Primeira Parte]

Watching TV tired, bleeding on the bed  
 The milk has just expired, all the leaves are dead  
 I?m not quiet, you?ve been quiet ? just receiving what you said  
 Reeling, feeding, feeling filled by everything you fed  
 I see you as you see yourself through all the books you read  
 Overwhelmed with guilt and realizing the disease

[Refrão]

You give me chills, I?ve had it with the drills  
 I?m nothing, you are nothing, we are nothing with the pills  
 I?m empty till she fills, alive until she kills  
 In her vampire empire, I am  
 Falling, yeah  
 Falling, yeah

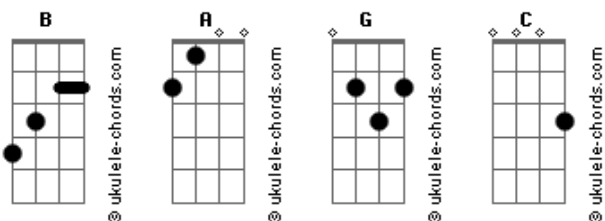

[Segunda Parte]

I see you there rejecting all your earthly power  
 Protecting and dissecting till you?ve emptied every hour  
 We jump into the pond, then we come under the shower  
 You lay upon my pillow and you open like a flower  
 I wanted to see you naked, I wanted to hear you scream  
 Wanted to kiss your skin and your everything  
 I wanted to be your woman, I wanted to be your man  
 I wanted to be the one that you could understand

[Refrão]

You give me chills, I?ve had it with the drills  
 I?m nothing, you are nothing, we are nothing with the pills

## Acordes

[Ponte]

Oh, oh  
 Oh, oh  
 Oh, oh  
 Oh, ah

[Terceira Parte]

Well, I?ve walked into your dagger for the last time  
 It?s like trying to start a fire with matches in the snow  
 Where you can?t seem to hold me, can?t seem to let me go  
 So I can?t find surrender and I can?t keep control  
 You turn me inside out and then you want the outside in  
 You spin me all around, then you ask me not to spin  
 You say you want to be alone and you want children  
 You wanna be with me, you wanna be with him

[Refrão]

You give me chills, I?ve had it with the drills
