Tom: A
                                                              Turn up the busy travel
                                                               Turn it up, turn it up, turn it up
Oh Oh it's gonna be a big night
                                                               'Cuz I've been feeling down, down down
Oh we're gonna have a good time
                                                                                  Gbm
                                                               I need to pick me up round round round
Oh It's gonna be a big big big big big night
                                                               I wanna spin it up loud loud loud
One, two, three all my boys and girls
                                                               DJ take me away
We're gonna party like it's the end of the world
                                                               Refrão:
Let's get it started, started, started woh oh
                                                               Oh Oh it's gonna be a big night
Waiting all week and it's friday night
                                                               Oh we're gonna have a good time
             Dbm
We gotta get dressed up for the time of our lives
                                                               Oh It's gonna be a big big big big big night
Let's get it started, started, started

'Cuz I've been feeling down, down down
                                                               Oh we're gonna have a good time
                    Gbm
I need to pick me up round round round
                                                               Oh It's gonna be a big big big big big night
I wanna spin it up loud loud loud

                                                               Oh Oh it's gonna be a big night
It's been a long week
                                                               Oh we're gonna have a good time
Been working all the time
                                                               Oh It's gonna be a big big big big big night
I need a hard beat
                                                               Oh Oh it's gonna be a big night
Take at this party ride
                                                               Oh we're gonna have a good time
I'm on another level
                                                               Oh It's gonna be a big big big big big night
