

# Big Time Rush - Elevate

Tom: Eb

(com acordes na forma de Capotraste na 1ª casa D )  
 Elevate a little higher  
 Let's throw a party in the sky and celebrate  
 Elevate until we fly, yeah  
 Move your feet until you levitate, come on let's elevate

Forget about your day under the Milky Way  
 I know a place where we can go

No need to be afraid

Come on, I'll demonstrate  
 Take you to outer space

Here we go, here we go

(oh oh)

If you want to party  
 (oh oh)  
 And I know you're down

(oh oh)

If you want to party, you want to party  
 Elevate a little higher (hey)  
 Let's throw a party in the sky and celebrate  
 Elevate until we fly, yeah  
 Move your feet until you levitate, come on let's elevate  
 Elevate (2x)

We're floating in the air  
 Look at the view from here  
 Show you a world you've never seen before

We're dancing in the stars, no matter where we are

Jupiter Boulevard, here we go, here we go

(oh oh)

If you want to party  
 (oh oh)  
 And I know you're down

(oh oh)

If you want to party, you want to party

Elevate a little higher (hey)  
 Let's throw a party in the sky and celebrate  
 Elevate until we fly, yeah (yeah)

Move your feet until you levitate, come on let's elevate  
 Elevate (2x)

Don't even hesitate (whoa), just let it escalate (oh)  
 I want to see you go u-u-up

Break through the ceiling

Now it's time to hit the clouds  
 And now we ain't coming down

(whoa oh)

(whoa oh(oh whoa whoa oh))

(whoa oh (whoa oh ooh))

Elevate a little higher (hey) (higher)  
 Let's throw a party in the sky and celebrate  
 Elevate until we fly, yeah (until we fly)  
 Move your feet until you levitate, come on let's elevate (elevate)

Elevate (whoa)  
 Elevate (We know we're going higher tonight)  
 Elevate (Let's let's elevate)

Elevate
