

# Big Time Rush - Featuring You

Tom: A

<sup>C</sup>  
My heart had a bunch of beats

<sup>D</sup>  
But none of 'em seemed to work for me

<sup>C</sup>  
I can't find the one to see

<sup>D</sup>  
Another thing seemed so out of key

<sup>C</sup>  
I was looking for a melody

<sup>D</sup> <sup>A</sup>  
Walked right in and took the lead

<sup>C</sup>  
I didn't know what to say

<sup>D</sup> <sup>A</sup>  
'Cause everything sounded so differently

<sup>C</sup>  
Now my heart goes BOOM BOOM BOOM

<sup>D</sup> <sup>A</sup>  
It's like a million notes a minute and I don't know how you did it

<sup>C</sup>  
Yeah my heart goes BOOM BOOM BOOM

<sup>D</sup> <sup>A</sup>  
So let's put our song on replay

<sup>C</sup> <sup>D</sup> <sup>A</sup>  
You and me together make a number one record

<sup>C</sup> <sup>D</sup> <sup>A</sup> <sup>C</sup>  
And the only song that I wanna do is featuring you

I can read the lyrics

<sup>D</sup> <sup>A</sup>  
It's like "I already hear it"

<sup>C</sup> <sup>D</sup> <sup>A</sup> <sup>C</sup> <sup>D</sup>  
Girl you know the only song that I wanna do is featuring youuuuuu youuuuuu

<sup>C</sup>  
Now you're stuck inside my head

<sup>D</sup> <sup>A</sup>  
Like a hit on the radio I can't forget

<sup>C</sup>  
Now my life's got a new soundtrack

<sup>D</sup> <sup>A</sup>  
When I sing it for you, you sing right back

<sup>C</sup>  
No solo, a duet

<sup>D</sup> <sup>A</sup>  
And I'm never going back to the way it was

<sup>C</sup>  
And I know that we just met

<sup>D</sup> <sup>A</sup>  
But it all sounds better with the two of us

<sup>C</sup>  
Now my heart goes BOOM BOOM BOOM

<sup>D</sup> <sup>A</sup>  
It's like a million notes a minute and I don't know how you did it

<sup>C</sup>  
Yeah my heart goes BOOM BOOM BOOM

<sup>D</sup> <sup>A</sup>  
So let's put our song on replay

<sup>C</sup> <sup>D</sup> <sup>A</sup>  
You and me together make a number one record

<sup>C</sup> <sup>D</sup> <sup>A</sup> <sup>C</sup>  
And the only song that I wanna do is featuring you

I can read the lyrics

<sup>D</sup> <sup>A</sup>  
It's like "I already hear it"

<sup>C</sup> <sup>D</sup> <sup>A</sup> <sup>C</sup> <sup>D</sup>  
Girl you know the only song that I wanna do is featuring youuuuuu youuuuuu

<sup>C</sup>  
Hey baby you're my number one feature

<sup>D</sup> <sup>A</sup>  
Have to write a song about ya every time I see ya

<sup>C</sup>  
I can be the melody, you can be the lyrics

<sup>D</sup> <sup>A</sup>  
Make 'em wanna throw their hands up every time they hear it

Cuz...

<sup>C</sup> <sup>D</sup> <sup>A</sup>  
You and me together make a number one record

<sup>C</sup> <sup>D</sup> <sup>A</sup> <sup>C</sup>  
And the only song that I wanna do is featuring you

I can read the lyrics

<sup>D</sup> <sup>A</sup>  
It's like "I already hear it"

<sup>C</sup> <sup>D</sup> <sup>A</sup> <sup>C</sup> <sup>D</sup>  
Girl you know the only song that I wanna do is featuring youuuuuu youuuuuu

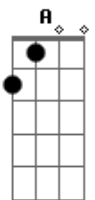

<sup>C</sup> <sup>D</sup> <sup>A</sup>  
youuuuuuuu youuuuuuuu

Featuring you...

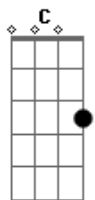

Featuring you...

Featuring you...
