

Big Time Rush - Halfway There

```
Tom: Eb
  TOM: Eb
Intro: 4x
When the chips are down
     Ab
Back against the wall
    Eb
Got no more to give
   Bb
Cause we gave it all
        Cm
Seems like going the distance unrealistic
                  Bb
But we're too far from the start
So we take what comes and we keep on going
Eb Bb
Leaning on each other's shoulder
Then we turn around
 Eb
And see we come so far somehow
We're halfway there
            Ab
We're looking good now
        Fb
Nothing is going to get in the way
We're halfway there
       Ab
Looking back now
        Eb
I never thought I'd ever say
               Cm Ab Eb Bb
We're halfway there
                 Cm Ab Eb Bb
We're halfway there
If we never flew
        Ab
We would never fall
       Eb
If the world was ours
       Bh
We would have it all
But the life we live
     Ab
Isn't so simplistic
```
