

Big Time Rush - Next Step

Tom: A

Step 1 we were just two friends having fun
 Step 2 I couldn't take my mind off of you
 Step 3 is when you put your arms around me
 Step 4 we weren't just friends anymore

(Pré-Refrão)

When you look my way
 There's nothing left to say
 Just the way that I feel

Its all I can do

Not to touch your lips
 Not to kiss your face
 Nothing left to say

(Refrão)

Lets take it to the next step

Oh oh oh oh oh oh

Cause we've never been there before

Lets take it to the next step

Oh oh oh oh oh oh

Cause my heart can't take anymore

Step 5 is when I left those tears in your eyes

Step 6 I don't even know what I did

Step 7 happened when I walked out the door

Step 8 we aren't even friends anymore

(Pré-Refrão)

(Refrão)

Lets take it to the next step

Won't let her, won't let it go

Lets take it to the next step

Won't never, never know

(Pré-Refrão)

(Refrão)

Lets take it to the next step

Won't let her, won't let it go

Lets take it to the next step

Won't never, never know
